EFFECTIVE DATE 12/30/2016

**SCHEDULE: RESIDENTIAL SERVICE (RS)**

**RATE CODE 015 & 038**

### AVAILABILITY

This rate schedule is available in all service areas for any residential use, including individually metered outbuildings supporting the primary residence, which are located on the site of the primary residence.

This schedule is not available for resale, stand-by, business, manufacturing or agricultural use. Once this schedule is selected, service will continue to be supplied under this schedule for twelve consecutive months unless a material and permanent change in the customer's load occurs.

A written contract may be required at the option of the Company when unusual service conditions exist.

The Company will provide service at one location for the entire electrical requirements of the customer and at a nominal secondary voltage of 120/240 volts single phase unless specifically agreed to otherwise by the Company.

The Company will furnish service in accordance with the Company's Rules, Regulations, and Conditions of Service, and the Rules and Regulations of the Oklahoma Corporation Commission. For customers with AMI meters, home energy reports are available upon request.

### SPECIAL CONDITIONS OF SERVICE (038)

Each kilowatt-hour (kWh) step of this schedule shall be multiplied by the number of separate living quarters served through the meter.

### MONTHLY RATES

**Base Service Charge**            \$20.00

### AVAILABILITY

This rate schedule is closed. This rate schedule is only available to customers served at a premise under this rate schedule as of February, 2009. This schedule is available for a residential dwelling unit containing kitchen appliances, permanent sewer or septic facilities, and water service. Separately metered barns, garages, boat docks, or individual hotel or motel rooms are not considered a residence.

This schedule is not available for resale, stand-by, business, manufacturing, or agricultural use. Service will continue to be supplied under this schedule unless a material and permanent change in the customer's load occurs or the customer is no longer eligible as described in the *Special Conditions of Service*.

A written contract may be required at the option of the Company when unusual service conditions exist.

The Company will provide service at one location for the entire electrical requirements of the customer and at a nominal secondary voltage of 120/240 volts single phase unless specifically agreed to otherwise by the Company.

The Company will furnish service in accordance with the Company's Rules, Regulations, and Conditions of Service, and the Rules and Regulations of the Oklahoma Corporation Commission. For customers with AMI meters, home energy reports are available upon request.

### SPECIAL CONDITIONS OF SERVICE

1. Each kilowatt-hour (kWh) step of this schedule shall be multiplied by the number of separate living quarters served through the meter.
2. An existing customer on this rate schedule is eligible for this schedule only if the customer has an average monthly usage of 500 kWh or less during the On-Peak Season. At the end of the On-Peak Season, the average daily kWh usage cannot exceed 16.67 kWh.
3. When a customer exceeds 2,500 kWh in total during the current On-Peak Season, the customer will be moved to the Residential Service schedule. Billing under the Residential Service Schedule will begin with the current month.

**RATE CODE DLC**

### AVAILABILITY

This rate schedule is available to individual residential customers on a voluntary basis. This rate schedule is limited to participants with an Advanced Metering Infrastructure (AMI) meter.

Customers electing to take service under the DLC tariff are expected to remain on this schedule for a minimum of one (1) year. A written contract may be required at the Company's option. If the customer terminates service under this schedule, the customer will not be eligible to receive service under this schedule for a period of one (1) year from termination date. Customers electing to take service under the DLC Tariff are not eligible to take service under the Variable Peak Pricing Residential Service Tariff schedule.

### PROGRAM DESCRIPTION

To participate, customers must allow the Company, or its authorized agents to control the customer's central electric cooling unit(s) via a Company-approved, Wi-Fi enabled communicating thermostat maintained and owned by the customer.

The Company will utilize the smart thermostat device to reduce customer's energy use during load-management events. The Company will increase the temperature on the customer's thermostat by as much as four (4) degrees during load-management events.

Company-planned non-emergency load-management events shall not exceed five (5) hours per day. Such non-emergency load-management events shall not exceed sixteen (16) events and shall occur only during the months of June through October between 2:00 p.m. and 7:00 p.m.

In the event of a system emergency, as determined by the Company, the Company may also call upon customers to participate in an emergency load-management event. Such emergency events will not count toward the total number of non-emergency load management events, as defined above, that are available during the cooling season.

REPLACING 2ND REVISED SHEET NO. 54-1  
EFFECTIVE DATE 12/30/2016

**SCHEDULE: DIRECT LOAD CONTROL TARIFF (DLC)**

**RATE CODE DLC**

### RATE CREDIT

Customers shall receive the following monthly billing credits for each central electric cooling unit controlled during the billing months of June through September:

\$2.50 for each event signal that the customer does not override

Such credits shall not reduce the customer's bill below the minimum charge as specified in the schedule under which the customer takes service.

The Company shall collect data during the course of this direct load control program. Customer-specific information will be held as confidential and data presented in any analysis will protect the identity of the individual customer.

Customer's net monthly bill for service provided under the DLC Tariff will be calculated in accordance with the applicable rate schedule under which customer takes service, including all adjustments to billing and all applicable credits determined under the DLC Tariff.

### ADJUSTMENTS TO BILLING

#### Tax Adjustment

The amount calculated at the above rate is subject to adjustment under the provisions of the Company's Tax Adjustment Rider.

### TERMS OF PAYMENT

Monthly bills are due and payable by the due date. Monthly bills unpaid by the due date will be assessed a late payment charge of 1 ½ percent of the total amount due.
