**SCHEDULE: RESIDENTIAL SERVICE ELECTRIC VEHICLE (RSEV) RATE CODE 029**

---

**AVAILABILITY**

This rate schedule is available to individual residential customers who use Plug-In Electric Vehicles and are in good standing with the Company on a voluntary basis. This rate schedule is limited to customers with standard meter for any residential use, including the primary residential dwelling, individually metered outbuildings supporting the primary residence, which are located on the site of the primary residence. A residence is a dwelling unit containing kitchen appliances, permanent sewer or septic facilities, and water service, as set forth in our terms and conditions.

This schedule is not available for resale, stand-by, business, manufacturing or agricultural use. Once this schedule is selected, service will continue to be supplied under this schedule for twelve consecutive months unless a material and permanent change in the customer's load occurs.

A written contract may be required at the option of the Company when unusual service conditions exist. Customer must demonstrate to the Company's satisfaction that service includes the charging of Electric Vehicles.

The Company will provide service at one location for the entire electrical requirements of the customer and at a nominal secondary voltage of 120/240 volts single phase unless specifically agreed to otherwise by the Company.

The Company will furnish service in accordance with the Company's Rules, Regulations, and Conditions of Service, and the Rules and Regulations of the Oklahoma Corporation Commission.
